Swachhta Pakhwada: Community Outreach Day

Day 3 – 3rd September 2021

Senior School Activity-

The Swachhta Pakhwada launched by Government of India, is a fortnight-long program observed to ensure mass participation of citizens in Swachhta activities and to truly transform Swachh Bharat into a citizen's movement.

Maintaining awareness and vigilance is crucial as the number of outbreak cases reported has increased.

Community is an integral part of our lives. As responsible members of this community, we must take precaution-- not just for our sake, but for others as well. Staying informed is critical for preventing the spread of this illness.

An awareness video has been made by the students of St. Agnes' Loreto Day School which is sent to all the students and parents for their safety. The information in the video will help us all to take proactive measures for keeping Coronavirus at bay.

Junior School Activity-

A clean and green environment is a basic ideology in sustainable development. A whole lot of diseases can be traced back to unhygienic environments and irresponsible waste disposal. The importance of cleanliness is known to all now, yet people try to keep their homes clean while they somehow just forget that they are responsible for the cleanliness of the environment as well, that they are responsible for any waste they generate and that just getting rid of it from their house won't help. It could be due to lack of knowledge or due to sheer laziness or due to irresponsibility. Sometimes all it takes is a reminder. Keeping this in mind the students of the junior school participated in the Cleanliness Drive.
