

## AUGUST

International Youth Day is a UN advocacy day observed every year on the 12th of August. The purpose of the day is to draw attention to a given set of cultural and legal issues surrounding the youth. On this International Youth Day, the students of classes I-V of St. Agnes' Loreto Day School, tried to send the message across that youth is the best time of one's life and the way in which they make use of this time, will decide the course of their future life.

Our little angels of classes I and II participated with full zeal and enthusiasm and enjoyed making flowers with ice-cream sticks. The students of classes III and IV zealously engaged in making posters and wrote meaningful slogans on it both in English and Hindi. In this way they learnt that the most important thing is to live a happy and be contented in life because this is all that matters.
