

JPIC REPORT JULY- 22

JULY

World Population Day is an annual event, observed on **July 11** every year, which seeks to raise awareness of global population issues. There is a huge population explosion around the globe. It is reported that every 12 years, another billion people are added to the globe’s population.” The students expressed their deep concern and care for the healthy growth and safety of the human race. They showcased their feelings and emotions by participating in various activities that were held on 11 July 2022 to celebrate The World Population Day.
